

Style Guides

Trends are constantly changing and when you design your own home you want cohesive design that stands the test of time. Choosing the finer details can be daunting even for professionals.

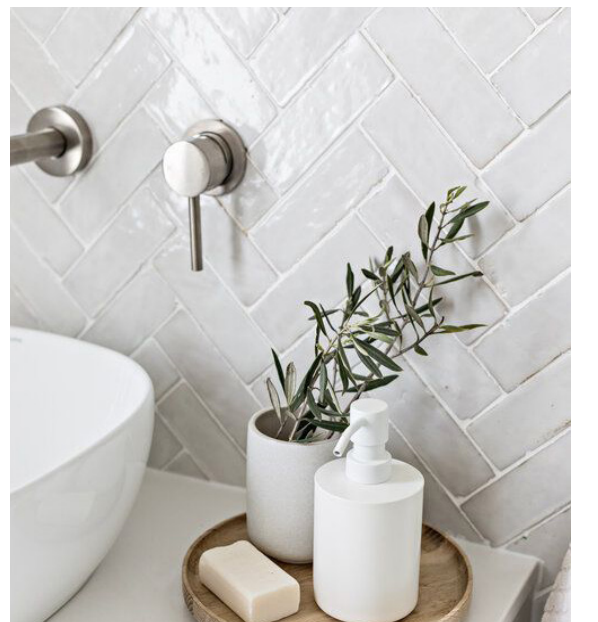

To help you through this process we have designed four concepts
Beach Boho, Modern Luxe, Soho and Coastal Farmhouse.

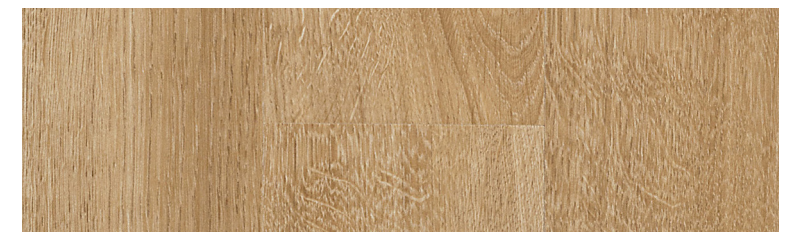

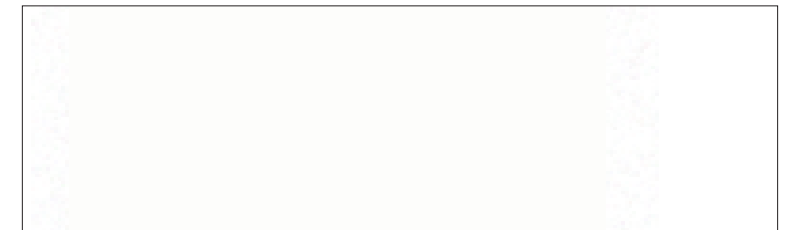

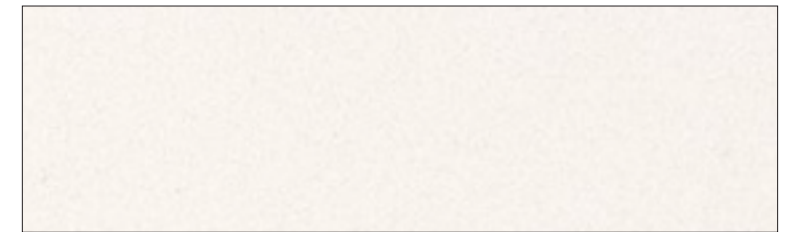

These have been designed with the end product in mind and will ensure you make the best use of your interior options.

Beach Boho

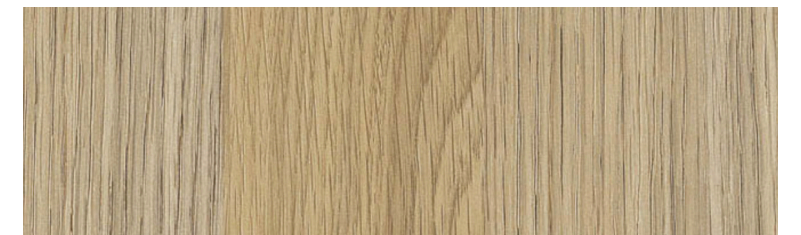

Minimalist natural palette
with a scandinavian style.
